

CONFIRMATION SERVICE CALENDAR

2011-2012

Through the acts of service we are challenged to connect our experience of faith and Catholic teachings. Thus, it is important to be challenged to serve others. Your time and talents are needed to serve as a living presence of God's love in our world. The acts of love and service are a witness to the Gospel, and hope of God's kingdom rooted in justice, peace, truth, and love.

The Church's Theology of Service:

Service helps us to claim identity as people of faith by exploring how faith is integrated with life, both within the faith community and in the "secular" lives of individual community members.

We do service because we are Catholic!
